

NEW HIACE

DELIVERING EFFICIENCY

TOYOTA

Move your world

01 TAILORED FOR TRANSPORT. CRAFTED FOR COMFORT.

Welcome to a world of redefined mobility. The new Hiace introduces a seamless balance of power, efficiency and comfort, where its fresh design and high performing functionality embody pure transportation excellence that surpasses expectations.

Annular Frame Structure

A specially developed cabin structure that provides protection to the passengers and improves vehicle rigidity.

Front Power Window

Wind the windows up and down hassle-free at the touch of a button.

Side Mirrors and Wide-Angle Mirrors

Offers the driver a clear view to check blind spots for added ease and safety.

Daytime Running Lights (DRL)

Increases visibility of the vehicle to others on the road during the day.

02 EXTERIOR

Sleek as it is functional. The new Hiace adopts a robust build and glossy exterior, complete with painted front and rear bumpers and sophisticated chrome furnishings.

■ 6.4m Turning Radius

Experience smooth turns and easily manoeuvre the vehicle through tight spaces.

■ Chrome Grille

Distinctive chrome grille that exudes a premium and refined feel.

■ Multi-reflector Headlamps

Provides enhanced illumination on the road by maximising use of emitted light.

■ Halogen Front and Rear Fog Lamps

Enhances visibility for driver in adverse weather or low-light conditions.

■ **16" Rims with Steel Caps**

16" rims that combine aesthetics and durability, providing the most stable drives.

■ **Power Adjustable and Foldable Side Mirror**

Optimises field of view to ensure proper visibility when driving.

03 INTERIOR

Within the new Hiace, comfort is second to none. The spacious 10-seater interior is intuitively designed and offers a suite of features, setting the standard for transportation vehicles.

■ Meter Cluster

Analog meter panel with Multi-Information Display (MID) that provides easy access for vehicle-related information.

■ Spacious 10-seater Cabin

An expansive interior with rear seats equipped with reclining function and headrest, bringing unparalleled comfort to passengers.

■ Front and Rear Air-conditioning Control

Driver and passengers are able to customise independent blower speeds to their preferred level.

■ 7" Display Audio

Includes a dual-speaker system and reverse camera for effortless parking and manoeuvring.

■ Sliding Door Step Lamp

Provides illumination in low-light conditions for improved visibility.

■ 2x Power Outlets

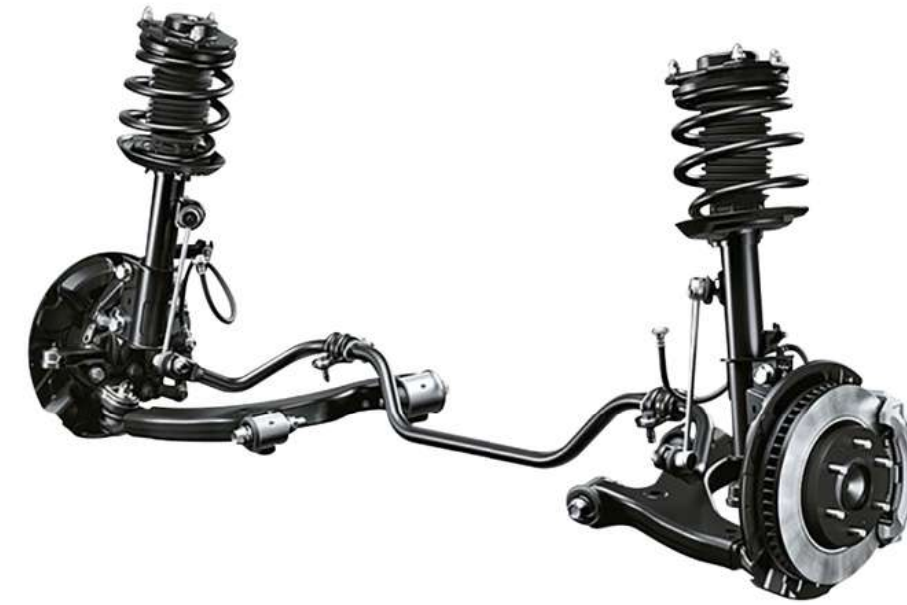

Available power outlets for passengers to easily charge their devices.

■ RFID

Enjoy a seamless and secure driving experience with RFID technology.

04 PERFORMANCE

When it comes to performance, the new Hiace doesn't cut corners. With a powerful new engine and exceptional stability that provides a heightened sense of control, it delivers in every aspect to meet all your logistics needs.

■ MacPherson Strut Front Suspension

Delivers optimised stability for smooth comfort on all road conditions.

■ Leaf Spring Rigid Axle Suspension

Leaf springs provide better load-carrying capability, while keeping passenger comfort at the forefront.

■ 6-speed Automatic with Sequential Shift

The first and only automatic window van in Malaysia, with a 6-speed automatic transmission that makes transporting loads easy.

Engine
